

# C.B.S. THE GREEN

## PARENTAL CONTRIBUTION 2023/2024

€150  
per student

This payment really helps us to provide many essential and beneficial services to students, parents and staff.

The Contribution covers the provision of the following items:

### The School Journal

An essential resource for recording homework, results and communications between parents and school.

### Texting / School App / Vs Ware

Our School App connects parents, students and teachers and the wider community.

Regular alerts to parents of events and news in our school.

Send in absentee notes, permission to leave and late notes to the school office.

Notify parents of absences.

VS Ware will allow you to monitor your son's attendance and view his academic reports.

### All-Weather Pitch Maintenance

All students use the all-weather pitch during their physical education classes. The pitch is also used for lunchtime activities and for training school teams after school.

### Lockers

Each student receives his own personal locker and key. Lockers provide secure storage space for schoolbooks and personal belongings.

### Transport

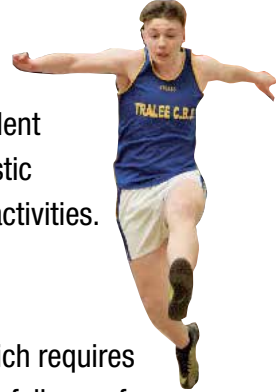

Buses are required to transport students to various sporting events and school activities.

### Postage, Stationery & Photocopying

Students benefit greatly from the extra information provided by teachers via handouts etc.

### Insurance

The school takes out 24-hour personal insurance cover for each and every student in the school. This covers social, domestic and leisure activities as well as school activities.

### Computer Licence Fees:

The school has a computer network which requires licencing. All students get access to the full use of Microsoft Office suite and will also be able to download the applications onto their personal computer at home. Your contribution covers the licence fees for all computers and the software licences.

### Guest Speakers

Funds guest speakers and workshops for students that take place during the school year on varying topics of interest to students.

### School Year Book & Newsletters

Keeps our school community informed of the activities, achievements and successes of our students. A wonderful compilation of all school activities.

### Student Council

Organise and carry out many activities during the school year. They also travel to many events to represent the school.

€150  
per student

We offer a **reduced rate for families who have more than one son** in the school:

Two sons: €250 Three sons or more: €340

We are encouraging Parents/Guardians to make the payment through the shop section of the school app.

Payment can also be made to the accounts office in the school. Receipts will be issued for payments.

If paying by cheque, please make payable to: **Christian Brothers School St. Marys.**

Payment may also be made by instalments through the school office. Full payment by September 1st 2023.

More detailed information about the School Contribution is available on our website: <https://www.thegreen.ie/parental-contribution/>

**We sincerely thank all parents in advance for their contribution and continued support.**
