

**TO CREATE/RESET PASSWORD ON VS WARE  
CLICK ON CREATE/RESET PASSWORD**

The screenshot shows the VS Ware login interface. At the top center is the VS Ware logo. Below it are two input fields: 'Login' and 'Password'. A red error message 'Password is mandatory' is displayed below the password field. A blue button labeled 'Create/Reset Password' is circled in red. Below it is a blue button labeled 'Sign In'.

**FILL IN YOUR USERNAME AND THEN ENTER THE LAST 4  
DIGITS OF YOUR MOBILE PHONE NUMBER**

The screenshot shows the 'Reset Password' page. The title 'Reset Password' is at the top. Below it is the text 'Security code will be sent to the registered phone number'. There are two input fields: 'Username' and 'Last 4 digits of the registered phone number'. The 'Last 4 digits' field consists of four separate input boxes. A blue button labeled 'Validate' is at the bottom. The entire form area is circled in red.
