May 25<sup>th</sup>, 2020

Dear Parent/Guardian,

We are offering short courses in Coding and Physical Education in second year as part of Junior Cycle 2022.

If your son is interested in studying the short course in Coding and PE, he will have to discontinue the study of one option subject to accommodate this on his subject list for Junior Cycle 2022.

Below is a link to an online form that you are asked to complete if your son wishes to study these two short courses. This document asks you to indicate his preference to study the short courses, and also **to select the option subject he wishes to discontinue**.

<https://forms.office.com/Pages/ResponsePage.aspx?id=YSEOI3oonUS-t1mZnB7ZdqoXIKBHb9lBs9sKLdHMJFhUNEJMS083NEg0TTNJSEIFRVJFNIE2RldTNy4u>

- Please note: Regardless of whether your son decides to do the short courses or not all students will continue to study 2 class periods of PE per week.
- Please note: Places on the short courses are limited.

If numbers are insufficient the school may not be able to run the short courses.

Please ensure you have completed the above online form by Thursday May 28<sup>th</sup>.

Kind Regards,

*Anne O'Callaghan*

*Principal*
