The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

While it is appreciated that in certain exceptional circumstances transfers are unavoidable (e.g. a change of residence or a family moving into a new area) as a matter of general policy transfers into the school are discouraged in the overall interests of the continuity of the student's education.

In general, it is the policy of the Board of Management not to accept transfer applications from applicants previously enrolled in other local post-primary schools once the academic year has commenced. In certain circumstances, however (e.g. family have moved into the area and applicant is not currently enrolled in a local post-primary school) the school will make reasonable efforts to facilitate an applicant seeking to enrol in accordance with the criteria stated in this policy.

The Principal shall have the authority to decide on applications for admission. Applicants then have the right to appeal the decision in writing to the Board of Management in accordance with section 18 below. When considering an application, the following criteria will be used;

- School's Admission Policy.

- The school being satisfied with the reasons for the application.
- The school being satisfied that the admission to be in the best interest of the applicant.
- The school being satisfied that the admission be compatible with the best interest of the students currently enrolled in the school.
- Consideration of issues relating to midyear/programme transfer such as class sizes, subject options and availability of resources.

The school must be satisfied that it can meet, in full, the curriculum needs of the applicant with regard to subject options/levels, can provide a full timetabled curriculum and that students have a sufficient background in subjects to be able to progress.

- Advice of Educational Welfare Officer if appropriate.
- Applications for admission into groups due for State Examination the following June will only be facilitated provided that the school is satisfied that it can adequately meet existing students' needs and ensure all elements of their required curriculum are covered.

The maximum number of students in standard class groups will be 30 students and 24 in practical subjects.

Before Admission Application Forms will be issued, applicants and their parents are required to meet with the Principal. This is to help determine whether or not the school can meet the individual curriculum needs of the applicant as well as their personal, social and emotional needs, in line with our mission & ethos. School management will also contact the current/former school of the applicant.

Applicants may then submit an Admission Application Form. Applications will only be deemed complete once the following documentation has been received by the school.

1. Completed Admission Application Form.
2. School reports from previous 2 years.
3. A written reference from the previous school.
4. Copies of Junior / leaving Certificate results / equivalent state exams from other countries (where applicable).
5. An Educational Psychology Assessment Report and / or medical documentation outlining Special Educational Needs (where applicable).
6. Copy of applicant's birth certificate.
7. Passport photo.

St. Mary's CBS The Green also reserves the right to request a confidential reference from the authorities in previous school(s) and such other background checks as may be deemed appropriate in order to properly consider the application.

Once an application is deemed complete the school will process the applications in line with this policy and the relevant legislation.

The school reserve the right to refuse any application in particular circumstances, which might include but are not confined to the following:

1. An established prior record of poor behaviour and, in particular, any propensity towards violence against other pupils and / or members of staff;

2. Lack of adequate resources to cater for particular needs;
3. Insufficient educational attainment/coverage of course content in previous school to make sufficient progress viable, without compromising the needs of the existing student cohort.

Applications for admission into the school will be considered having regard to the overall wellbeing of existing students and the availability of physical space and resources.

Following consideration by the Principal of individual applications for admission into the school, where the Principal has good grounds for forming the fair and reasonable opinion that it would not be in the best interests of the existing students and / or the applicant to accept such an admission, it is the policy of the school to refuse to enrol such applicants.

Applications will not be accepted from students who are the subject of on-going disciplinary proceedings in another school which includes any on-going statutory procedures in accordance with the Education Act 1998 or The Education (Welfare) Act 2000.

“The board of management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. An application for admission may be refused, therefore, where the admission of the applicant would pose an unacceptable risk to the health and safety of the applicant or students and staff of the school.”

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as follows: While it is appreciated that in certain exceptional circumstances transfers are unavoidable (e.g. a change of residence or a family moving into a new area) as a matter of general policy transfers into the school are discouraged in the overall interests of the continuity of the student’s education.

The Principal shall have the authority to decide on applications for admission. Applicants then have the right to appeal the decision in writing to the Board of Management. When considering an application, the following criteria will be used;

- School’s Admission Policy.
- The school being satisfied with the reasons for the application.
- The school being satisfied that the admission to be in the best interest of the applicant.
- The school being satisfied that the admission be compatible with the best interest of the students currently enrolled in the school.
- Consideration of issues relating to midyear/programme transfer such as class sizes, subject options and availability of resources.

The school must be satisfied that it can meet, in full, the curriculum needs of the applicant with regard to subject options/levels, can provide a full timetabled curriculum and that students have a sufficient background in subjects to be able to progress.

St. Mary's CBS The Green also reserves the right to request a confidential reference from the authorities in previous school(s) and such other background checks as may be deemed appropriate in order to properly consider the application.

Once an application is deemed complete the school will process the applications in line with this policy and the relevant legislation.

The school reserve the right to refuse any application in particular circumstances, which might include but are not confined to the following:

1. An established prior record of poor behaviour and, in particular, any propensity towards violence against other pupils and / or members of staff;
2. Lack of adequate resources to cater for particular needs;
3. Insufficient educational attainment/coverage of course content in previous school to make sufficient progress viable, without compromising the needs of the existing student cohort.

Applications for admission into the school will be considered having regard to the overall wellbeing of existing students and the availability of physical space and resources.

Following consideration by the Principal of individual applications for admission into the school, where the principal has good grounds for forming the fair and reasonable opinion that it would not be in the best interests of the existing students and / or the applicant to accept such an admission, it is the policy of the school to refuse to enrol such applicants.

Applications will not be accepted from students who are the subject of on-going disciplinary proceedings in another school which includes any on-going statutory procedures in accordance with the Education Act 1998 or The Education (Welfare) Act 2000.

“The board of management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. An application for admission may be refused, therefore, where the admission of the applicant would pose an unacceptable risk to the health and safety of the applicant or students and staff of the school.”

16. Declaration in relation to the non-charging of fees

The board of St. Mary’s CBS The Green or any persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction

The following are the school’s arrangements for parents of students and students (over 18) who have requested that the student attend the school without attending religious instruction in the school:

These arrangements will not result in a reduction in the school day of such students.

Parents of students and students (over 18) who wish to opt out of RE class should make a written request to the principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss their options. Throughout this process the constitutional right of the parent/ student (over 18 years) will be respected by the school.

The 1998 Education Act states that schools are required to promote the moral, spiritual, social and personal development of students (Section 9 (d)). At St. Mary’s CBS The Green the allocated time on the timetable for Religious Education responds to this. Students who opt out of RE class are required to use this time to study material relating to their own religious tradition or belief, for example sacred texts. Students of no religious faith, who opt out of RE class, are required to study relevant literature or philosophical texts. A list of suggested texts can be provided by the school. In line with the Edmund Rice Schools Trust Charter, St. Mary’s CBS The Green places great importance on the religious or spiritual formation of all its students. Each student has his own personal journey which will be encouraged and respected. Students who opt out of RE class will not be offered extra tuition or study periods.

19. Application to Repeat a School Year

All applications to repeat a school year are subject to the Department of Education and Skills Circular M02/95 and will be considered accordingly and in the light of places available in the relevant school year. The Department of Education and Skills generally restricts education for students at second level to a maximum of six years and does not allow students to repeat a year except in exceptional circumstances.

Any application must be in writing and should set out the reason(s) for the application to repeat a school year and be accompanied by supporting documentation as appropriate.

20. Admission to the ASD Class

Admission to the ASD class is governed by a policy and procedures additional to the Admission's Policy as outlined below:

- Subsequent priority will be given to applications from students already enrolled in St. Mary's CBS The Green with a diagnosis of ASD who have been recommended for a place in an ASD class.
- St. Mary's CBS The Green will give initial priority to applications from students already enrolled in our school who have received their ASD diagnosis **after enrolment** and have been recommended for a place in an ASD class.
- St. Mary's CBS The Green will then give subsequent priority to applications for enrolment into First Year.

Eligibility for Enrolment in our ASD class

A student may be accepted for admission into the ASD class when all the following criteria have been met:

- The student has a diagnosis of an Autism Spectrum Disorder (ASD) and is recommended for placement in an ASD support class in a mainstream post-primary school by a psychologist, psychiatrist or multi-disciplinary team approved by the HSE. Any student who wishes to repeat a year in the school and previously had a place in the ASD support class will also have to reapply for a place.
- To ensure our facility best suits the needs of the student, evidence must be provided that the student is capable of integration and a multi-disciplinary team must support this. Each application requires a report from the primary school outlining the student's academic, social, emotional, behavioural, and physical needs. The needs of the students already enrolled in the ASD class will also be taken into consideration when enrolling a new student.

Enrolment Policy for the ASD Class

The total capacity for the ASD support class is restricted to six students per class, as

determined by the National Council for Special Education (NCSE) and the Department of Education and Skills (DES).

Integration of students in mainstream is the priority of the ASD class. Although students attached to the ASD support class have their own base in the ASD class, they will, when appropriate to the students' learning, attend mainstream classes, both with and without SNA support (where applicable). The student must be capable of some level of integration into the whole school environment.

All applications for the ASD support class will be considered within the context of the school's Admission Policy.

Application Process

- The general application form for enrolment is available from the school via the school website (www.thegreen.ie). All applicants must complete this form.
- Applications for the ASD class must be submitted with a completed general application form and should be made in line with the School's Admission Policy. The application form for a place in the ASD class is attached as an Appendix (Appendix 2). **All necessary and supporting documentation must be submitted to the school as part of the application process for the ASD class.**
- The completion of a written application form for your son does not confer automatic right to a place in the ASD class.
- Applications for enrolment will be considered for eligibility by the Principal and Board of Management (where necessary).
- Prior to acceptance, parent(s)/guardian(s) will be asked to attend a meeting with a member or members of the ASD enrolment committee to ensure that the needs of their son can be met within the resources available to the school.

Establishment of the ASD Class Enrolment Committee

- The Board of Management takes ultimate responsibility for enrolling students with ASD in the school.
- The Board of Management will establish the ASD Support Class Enrolment Committee to consider all applications made. The committee may comprise the Principal and/or Deputy Principal, the SEN co-ordinator and a member of the school's ASD class team.
- The role of the committee is to advise the Board on matters relating to admissions to the ASD class.
- Where a student leaves the ASD support class for whatever reason, the ASD enrolment committee will make a recommendation to the Board on how that place is to be filled (if

appropriate).

- The principal is responsible for implementing these guidelines under the direction of the Board of Management.

Attendance

- In cases where the attendance of the student enrolled in the ASD support class is of a nature that causes the ASD staff and school management to be significantly concerned about their commitment and engagement to the ASD class and the possibility that a place is being denied to a more suitable applicant, the case for the student's removal from the class will be addressed with the parent(s)/guardian(s) in the first instance and will be referred to the Board of Management.
